### Girls Night In

This October, join the IN crowd and host a *Girls Night In* fundraising event for Cancer Council Queensland in a real show of support for the one in two Queensland women who will be diagnosed with cancer this year. A night with the girls can come in many forms from dinner parties; chick

flick nights; clothes swaps and facial treatments, but no matter what the activity, the main content of the night will be a great deal of talking, laughter and support. *Girls Night In* could be deemed therapeutic!

Money raised from *Girls Night In* will help Cancer Council Queensland fund new innovations in women's cancer research and support services.
